

## Hello, Faszination Modellbau!

### Herpa is back in Friedrichshafen

It's that time of year again, and the modern, light-filled exhibition halls in Friedrichshafen will be entirely dedicated to model-making. Come and be enchanted by this wonderful hobby from 30 October to 1 November 2026.

A visit to our stand in Hall A1, Stand 1330, will definitely be worthwhile. Because this year, as tradition demands, we're delighted to present a high roof Mercedes-Benz Sprinter (930840) with Christmas artwork.

For just 10 euros, you'll receive a specially tailored design. The Sprinter is printed all over with the silhouette of a locomotive, a little angel, a reindeer, and much more – so the festive spirit can be appreciated from all angles.

In addition, we'd naturally like to offer a blue-light model once again. For the third year running, we've had the pleasure of collaborating with the Friedrichshafen Fire Brigade. The result is a "Friedrichshafen Fire Brigade/AB Special Equipment" MAN TGS M 3-axle swap-body lorry (929967), which will be available exclusively at Faszination Modellbau.

We hope to see you at our stand 1330 in Hall A1 from 30 October to 1 November. The trade fair team and our Cars & Trucks product manager would be delighted to welcome you.
