

## Changes at Herpa Museumsshop & Museum as of 8 June 2026

Dear Sir or Madam,

We wish to inform you in advance that our **opening hours** in Dietenhofen will **change as of June 8, 2026**.

The Museumsshop and the associated "World of Motion" museum will in future **only be open on Event Saturdays**. These are expected to take place once a month. You can find more details on our website at: <https://www.herpa.de/en/experience-herpa/exhibitions-events>

The dates already scheduled for our Event Saturdays and the Christmas Village remain unchanged for 2026 and, we are pleased to say, will be supplemented by two further dates, so that you will still have the opportunity to visit us regularly on site.

If you have placed orders via our Museumsshop, these will of course remain valid. Moreover, we are pleased to announce that our new Click & Collect service will be available starting 8 June 2026.

This means that you can continue to place orders by telephone on 09824/951-278 or via email at [museumsshop@herpa.de](mailto:museumsshop@herpa.de). As soon as the items are available, you will be notified and welcome to collect them in Dietenhofen at the following times:

### Collection times for orders:

> Monday to Friday from 08:00 to 12:00

> On scheduled Event Saturdays

We look forward to seeing you in Dietenhofen again soon!

Please do not hesitate to contact us if you have any questions.

Sincerely,  
The Herpa-Team
